Dear Potential Sponsor:

Over the past 15 years, entrepreneur Mary Nelson has devoted her time in helping our youth in the Central New York area. She has been instrumental in providing school supplies, backpacks, clothing, toiletries, shoes, food and more to preserve the destiny and future of our youth through her foundation in Syracuse. The organization is now approaching another milestone in this journey and is asking for your donation in adopting a youth this quarter.

Our organization has come a long way since 2002 when over 850 children in need were given backpacks, school supplies, and other items to help them start the year off right. Each year, the number of children receiving supplies increased – along with items donated by community partners. At the August 2015 event we had over 21, 172 youths and their families in attendance along with community members. **On the 10th anniversary of this successful event, The Mary Nelson Youth Center was praised on the Regis and Kelly Morning Show, Oprah’s Angel Network, Ms Oprah Winfrey visited The Mary Nelson’s Youth Center September 2014, and also by NBC Universal School Pride.** The organization activities included their Annual Youth Day BBQ. The Mary Nelson Youth Center offers after school programs, along with educational, health, hot & cold meals, and career services not only to youths – but anyone in our community who is need of help!

Your company and/or you as an individual has the opportunity to join me in energizing our community with positive momentum: Consider being a donor or sponsor of the foundation or our Annual School Supply Giveaway, which will be held August 20, 2016 from 11 am – 6 pm, All vendors and agencies in the following areas are invited **Education/Health/Career/Services/Violence Intervention/Mentorship.**

Thank you in advance for your consideration and your continued support of the Mary Nelson Youth Center!
